

Tennis Members  
Work on New Courts

ABOUT TWENTY-FIVE TURNED OUT LAST SATURDAY AND BUILT STONE WALL AND SODDED TERRACE—MORE WORK TO BE DONE TODAY.

In union there certainly is strength—especially when such huskies as Bill Boyer and Dough Eastmead are members of your union. And we'd include Bob Pattison with these two local Hercules if Bob could lift and push a wheelbarrow loaded with stone or sod as easily as he can raise a vocal disturbance or be the life of the party in a Paul Jones.

But Bob was there with the rest of the twenty-five or thirty other members of the Narberth Tennis Association last Saturday afternoon and did his share of the work even if he can't carry a couple of hundred pounds of stone and sod under each arm, and right valiant work they all did.

By "there" we refer to the site of the new grounds of the Tennis Association at Haverford and Montgomery avenues, and the occasion, the turning out of the members of the Association to build a stone retaining wall, and sod a long embankment between what will be the upper and lower courts.

And when the shades of night were beginning to fall—down around Doc Howard's apothecary shop, Boss Foreman Bill Hall blew his whistle and called it a day, and announced that he estimated that the members who had turned out and worked on the two jobs had saved the Association anywhere from \$200.00 to \$250.00. Which is no mean amount in this day and generation.

This Saturday afternoon—that is, December 11—every member of the Association is again urged to report at the new courts as soon after 1 o'clock as possible. There is still a lot of work to be done, and every member can help. Chief Stone Mason Fred Warner, under whose able direction a goodly portion of the stone wall was built, still has considerable to do to complete the wall, and will need a gang of able-bodied men to fetch and carry and set the stones. And there is still some sodding to do, and a number of other small jobs awaiting willing hands. Oh, there will be plenty to do even if the cinders still haven't arrived!

Come on out, fellows, and join the "Honor Roll," which last Saturday was made up of the following: Chief Boss Bill Hall, Chief Stone Mason Fred Warner, Jim McKell, looking exactly like the renowned William S. Hart, Warren Wright, alias "the Coatesville Kid," old Doc Little, Doc Cameron, Bill Kirkpatrick, the Doc Hartley, Bill Hall's alphabetical brother; W. D. R. Evans, Bill Bailey, famous in song and story; Fred Van Auken, who turned his sea-going roadster into a motor truck and hauled stones by the ton; those Harris boys, Wayne and Jess; Strongmen Boyer and Eastmead, Soft Pedal Bob Pattison, Roy Williams, the Boy Champion Pingpongist; Hurry Up Shaw, Thorny

## YOU CAN STILL JOIN.

The Main Line Branch of the American Red Cross desires all Main Line residents to know that they can renew their membership by sending their name and one dollar to headquarters in the Memorial Building at Bryn Mawr. Owing to the fewer number of workers this year, it was not possible to visit each home, and those who were not seen during the campaign are requested to join for the new year. The campaign has been very successful and about \$6,000 has been received for annual dues.

New Ruling for  
Water Company

CANNOT REFUSE SERVICE TO NEW PATRONS ON ACCOUNT OF PREVIOUS TENANT'S BILLS.

The Springfield Consolidated Water Company, Saturday, was directed by the Public Service Commission to file within fifteen days a new regulation governing the payment of bills.

The Commission holds that "electric, gas and telephone utilities almost invariably deal directly with the consumer and seem to find the safeguards sufficient to protect their interests," and that the Commission has decided in a number of cases "that it is unreasonable to refuse to deal with a tenant."

This is interpreted to mean that new tenants will not have to pay bills ignored by predecessors.

The decision is a matter of considerable interest to the patrons of the water company, in that it disposes of an issue which has been the occasion of a great deal of difficulty heretofore.

The company has steadfastly refused in the case of a change of occupants of a property to give service when it developed that the previous occupant had failed to pay the full amount of the previous bill. This has served, in a number of instances, heretofore, where disputes between retiring occupants and the company arose, to prevent others from occupying the place, except that the newcomers assumed the unpaid or disputed bill. There were also certain regulations under which the company required the payment of bills to insure continuation of service.

The complaints of the local patrons were laid before the Commission recently by Walter T. Sanborn, of Narberth, who was denied service by reason of an unpaid bill by a former owner of the property.

## Bureau of Rates and Tariffs.

The Bala & Merion Electric Company has filed a new tariff of rates with the Public Service Commission, governing service in Overbrook, Merion, Bala, Narberth, Cynwyd, Barmouth, and territory adjacent thereto in Montgomery County, Pa. The new tariff becomes effective on January 1st, 1921, and makes decreases, increases, omissions and corrections in existing rates. The following decreases and increases are effected by the new tariff:

## Decreases.

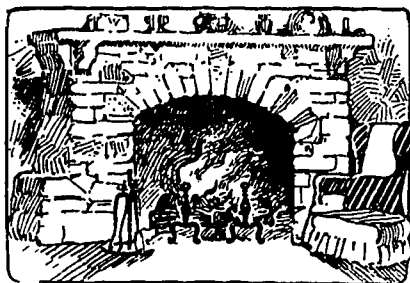

Reduction of 10% through the withdrawal of Supplement No. 12 to Electric P. S. C. Pa. No. 3, affecting all rates therein except residence service.

Wholesale light and power service (maximum demand): Kilowatt hours in the second block decreased from 4,000 to 3,000 and the third block eliminated.

## Increases.

Standard terms and conditions: Delayed payment charge of 5% of amount of bill instead of 1 cent per kilowatt hour for consumption in second and third blocks, which may result in an increase. Standard power factors for all customers of 80% for demands of less than 50 kilowatts, of 90% for demands between 50 and 1,000 kilowatts, of 95% for demands over 1,000 kilowatts instead of 80% applicable to rates "D," maximum demand, and "P,"

## THE FIRESIDE

Are you doing your shopping early?

Local stores are ready for the holidays.

Get your holiday advertisement in the Home News early.

Lowe Cummer, who went to Canada with his parents a few months ago, has returned to Narberth.

John Godown, of Fairview, is now employed at the Smith Drug Store in Narberth.

Mrs. Lottie Wolvorton, of Haddonfield, N. J., was the house guest of Mrs. John B. Brooks over the week end.

Automobile accidents are becoming every-day happenings along the Main Line.

Fletcher W. Stites was elected to the directorate body of the Narberth American Legion Building and Loan Association.

The next Legion dance will be held on December 17. The annual New Year's Eve Dance will be held on December 31 in Elm Hall.

Buy Christmas Seals this year for all your Christmas mail. Help stamp out the White Plague. Buy your seals in Narberth.

Xmas parcels should be mailed early and wrapped securely. Parcels may be insured up to \$5.00 for 3c.; \$5 to \$25, 5c.; \$25 to \$50, 10c.; \$50 to \$100, 25c.

Post cards containing tinsel, sand, ground glass or other substance that will rub off are not mailable unless enclosed in envelopes and tightly sealed.

Christmas Saving Club checks will soon be distributed. There is no reason why the biggest part of this money should not be spent in local stores.

Only a small part of the Playground subscription need be paid now. The balance will hardly be called before spring.

The monthly meeting of the Main Line Catholic Club will be held in St. Margaret's Hall next Tuesday evening, December 16.

## WHO WANTS A REAL BARGAIN?

If there is any man in Narberth who wants to make his family a real Xmas gift, let him consult me about a brand-new Sedan which I can make available from the factory in a week. It's one of the cars you always wanted to own, a rare and precious beauty, with the strength of a lion and the impulse of a lark; a car that needs to take no man's dust. I have to accept it in the course of business, but it's too rich for my blood, hence the low price of \$3,500, which is at least \$500 less than its actual cost. Remember, it's brand-new, not as yet out of the factory, and it ought to afford a very happy Christmas for somebody. It would create a real sensation in Narberth Park, and possibly that's where it belongs. Telephone Narberth 312-W. (9-p)

## WOMEN'S COMMUNITY CLUB

On Tuesday afternoon the Club had the pleasure of hearing Mrs. Georgine Fickels in several readings. Mrs. Fickels was so charming that she captivated her audience at once. "Florette" and "Young Fellow My Lad," by Service, brought back to mind the bravery of our boys "over there," also the number entitled "French Mud," written by a Dough Boy. Daly's most picturesque part of our immigration, the Italian sketches, could not have been interpreted to better advantage.

Miss Jessie Vogt told of the social work accomplished by the Y. W. C. A. through their International Institutes, and Dr. Call, who is working in the interests of health and hygiene along the Main Line, urged the mothers to confer with her that there might be an improved program formed for the children.

The Club was delighted with the violin renditions of one of its members, Mrs. Lewis Easley.

The hostesses of the afternoon were Mrs. Edgar Taylor, Mrs. E. Muschamp, Mrs. G. Atherholt, Mrs. F. T. Van Auken and Mrs. J. B. Smith.

The Choral Society will meet at the residence of Mrs. David Stickney, 219 Forrest avenue, on December 17 at 2 P. M.

The Club Orchestra will meet at the residence of Mrs. Joseph Barclay, 312 Essex avenue, on December 17 at 3.45 P. M.

The Children's Dancing Class will meet every Saturday afternoon at 2 P. M. in the Community Room.

The Adult Dancing Class met last night and will meet again on December 31 in the Community Room at 7.45 P. M.

The Mibinery Class meets every Thursday morning at the residence of Mrs. C. P. Fowler, 107 Elmwood avenue, at 9.45.

## FOR OUR CLUB BUILDING FUND.

Please send your subscriptions for your magazines, both new and renewals, to Mrs. William Wood Weiner, 106 Forrest avenue. Mrs. Weiner will send on request, phone Narberth 326-R, splendid gift and club offers.

The Ladies' Home Journal, Saturday Evening Post and Country Gentleman are always standard prices, but the Woman's Home Companion, American, Collier's, Mentor, Delineator, Etude, Century, Harper's, Everybody's, St. Nicholas and forty other magazines can be bought in clubs.

Bala-Cynwyd Post-Office Will Open  
Early Next Month

## SCHEDULE EXAMINATION FOR CARRIERS FOR NEW SERVICE. ENDS LONG EFFORT.

The new combined Bala-Cynwyd Post Office, for which civic and other agencies of the twin suburbs have worked for years, will become a fact next month. Its establishment will give the people of Bala-Cynwyd letter carrier service.

"Bala-Cynwyd" will be established as a second-class post office. The main office will be located in quarters in the new Merion Title Building branch office at Montgomery avenue and Llandrillo road, now nearing completion. A sub-post office will be established in King's old drug store at Union and Bala avenues, Bala.

Charles J. Hansell, the present postmaster at Cynwyd, will assume charge as postmaster of the Bala-Cynwyd office. The force will include an assistant postmaster, several clerks and three carriers.

In connection with carriers announcement is made that an examination under the civil service for carriers is scheduled for December 11, and Mr. Hansell would like to see some local men try for the position, which is open to anyone from 18 to 45 years of age.

Miss Martha Lukens, at the Cynwyd Post Office, is the local representative of the civil service organization and can give all information.

The civil service examination for these positions is not the fearsome thing one might suppose, but is worked out along sensible lines, so that everyone who takes it has a reasonable chance of passing.

The starting salary is \$1,400, after the substitute period, and the amount is automatically increased each year \$100 until it reaches \$1,800. Men of ability pass on through promotions, based on merit, to positions paying still higher salaries.

For God and Country, we associate ourselves together for the following purposes: To uphold and defend the Constitution of the United States of America; to maintain law and order; to foster and perpetuate one hundred per cent. Americanism; to preserve the memories and incidents of our association in the Great War; to inculcate a sense of individual obligation to the community, State and Nation; to combat the autocracy of both the classes and the masses; to make right the master of might; to promote peace and good will on earth; to safeguard and transmit to posterity the principles of justice, freedom and democracy; to consecrate and sanctify our comradeship by our devotion to mutual helpfulness.—Preamble to the Constitution of the American Legion.

## POST HOME FURNISHED.

Our new home has been completely renovated inside and the new furniture makes the club house a very desirable place to spend an evening.

The heating apparatus has been installed and will be sufficient to keep the club house warm during the coldest weather.

The members of the Post should avail themselves of the opportunity to use our new home as a club house. It is open to members all the time.

## DUES FOR 1921.

The dues for 1921 are now due and every member should try to pay them as soon as possible, as the Post needs the money to carry out its plans for 1921.

It is also important to pay your dues before January 1 if you want your American Legion Weekly to continue to be delivered promptly.

## BUILDING AND LOAN NOTES.

The Narberth American Legion Building and Loan Association opened its second series last Tuesday evening at the home of the Legion Post, Elmwood and Essex avenues.

The series will be kept open for three months, and every resident of Narberth is invited to become a stockholder.

The Association is indeed fortunate in adding Fletcher W. Stites to its directorate body.

## NEXT DANCE.

The next Legion Dance will be held on Friday evening, December 17, in Elm Hall.

The music furnished by the orchestra is worth twice the amount charged for admission.

More members should take advantage of this particular social feature of the Legion Post activities.

We have been fortunate in engaging Elm Hall on December 31st for our annual New Year's Dance. The Entertainment Committee promises it to be one of the best given so far.

## Scout News

December 6, 27 Scouts present, with Scout Master and Mascot Patten.

Forest guide badges issued, which enable all Scouts to go to fires in Narberth.

Scout Parker was called on to describe hike to Darby Creek. He told how they made their fires and built a bridge across the creek. Why Scouts Odiorne and Valet left for home early and the discovery of mink and muskrat holes.

Mr. Shoemaker, from Cynwyd, came and inspected the troop. He took special note of Mascot "Babe" Patten. The little fellow stood like a soldier, only he blushed. The fellows thought Mr. Shoemaker was just "bully."

Mr. Stites was a visitor and he is very much interested in Scout work. He made a long speech, which was great, but I will not write it in here, as it is too long.

## Editorial

To the Editor of Our Town:

The facts about the prices for coal during the month of November, so far as we are individually concerned, are as follows:

Pea coal, 263.30 tons, average cost \$11.80 per ton, margin 20c. per ton. Selling price, \$12.00 per ton.

Nut coal, 182.10 tons, average cost \$14.66 per ton, margin 34c. per ton. Selling price, \$15.00 per ton.

Stove coal, 125.15 tons, average cost \$14.42 per ton, margin 58c. per ton. Selling price, \$15.00 per ton.

This coal was purchased from two of the leading anthracite companies, with whom we have had honorable dealings for 12 to 15 years. The price at the mines on stove and nut sizes varied from \$7.95 to \$9.25 per ton. Freight in both cases was \$3.17, including tax. Hauling charges amounted to \$2.00 per ton flat.

Bills, etc., will be gladly shown at our office at any time to interested parties.

Out of our gross margin must be deducted taxes, repairs, insurance, office and yard wages, together with all other overhead charges, amounting, we fear, to a minus quantity which is as, of course, it should be.

Prior to the rule of the people or the Commission rule of the railroads, back to the good old days when the wicked railroad men ran their own business and ran it successfully, Narberth paid the same freight as any other Philadelphia receiving station, but under the iron mandate of the people's representatives, Narberth pays 28 8-10c. per ton more than most of our neighbors within the same hauling zone.

We tried to get this freight rate changed back to old conditions several years ago and were politely refused. We are told that only vast populations, not individuals, have weight with the Commissions.

What a monotonous thing life would be without trouble.

We wish you a Merry Christmas.

C. P. COOK.

"WHAT HAVE YOU DONE, FRIEND, TO HAVE IT OTHERWISE?"

This ought to be the question to ask the man or woman who is in constant lamentation over the fact that the town they live in is not like other places, not as neighborly, nor as enterprising, altogether a "bum burg."

What have you done to make it better?

Talk costs little, hence the large supply of it, but it takes more than talk to work wonders, and if it's accomplishment we are after the means of achieving it are well known and always available:

1. Think a lot.
2. Talk a little.
3. Work hard.

The Editor acknowledges with thanks the receipt of a book entitled, "Father Pein and John Barleycorn," by our townsman, Harry M. Chaffont. A description of the book is best given by the following, which is taken from the circular cover of the same:

"This book is not a series of temperance lectures. It contains neither preachment nor scientific treatise. It is a chapter from that ages-old story of man's struggle with the mysterious something called alcohol. To those who are eager to accomplish the complete and everlasting suppression of strong drink this volume will be found to be of inestimable value. The reader can confidently look forward to many a half hour of rare entertainment and inspiration as he studies the various movements of the principal actors in the three-century contest to drive old John out of Penn's woods."

Mr. Thomas DeWitt Cuyler, President of the Suburban Association of the Main Line, and the Roads Committee, of which Mr. Samuel Rea is chairman, met the Commissioners of Montgomery County and the Commissioners of Lower Merion Township to discuss the repair and maintenance of Montgomery Pike.

This road was purchased by the county in 1917, and since that time many residents of the township have been dissatisfied with its upkeep by the county. This feeling has been growing, and was becoming acute because of the apparent delay in the repairs which the County Commissioners started last May. This stretch covers about 5.1 miles, and extends from City Line almost to the Merion Cricket Club, at Haverford.

In 1917 the county paid \$91,000 for the road, and since that time it was found that practically \$200,000 had been spent on the pike.

County Commissioners Roy A. Hatfield and Warner Harper stated that if they had known in 1917 what they know now about the foundations of the pike, they never would have paid the price they did pay for the road. In many places it had been lime stone, but this in the course of years crumbled to dust, and in repairing these sections it meant an entire new foundation. This is now being replaced by trap-rock. This same thing held true with other sections that had practically no foundation at all. "It would have been better," said Mr. Hatfield, "if we had only known the condition of the road foundation, to have built an entirely new road instead of repairing it."

The delay in repairs, Mr. Hatfield said, was due to many causes. The embargo on material held up the work, then the shortage of asphalt which is

used in the top surface, truck and labor shortage, were all contributory causes. In many instances, in order to accommodate the traveling public, portions of the road were kept open during repairs in order to eliminate long detours. This made the work more difficult.

Montgomery Pike should be finished, if the weather permits, in a few days, and most of the road running from Haverford to Cynwyd, through Cynwyd to City Line, should, with good care and several surface treatments, last for about ten years.

Repairs at the present time are being conducted along the lines of the best methods of road construction. The repairmen laid 375 feet on one of their best days. This was the record day's work.

All of the county roads—seventy miles in all—lie on the other side of the river with the exception of Montgomery Pike, which is 5.1 miles long. These are all in good repair and run through some of the finest country in Eastern Pennsylvania. This section will be open to the residents of Lower Merion Township as soon as the Conshohocken Bridge is completed, which will be next fall.

Three years ago there were 137 miles of toll roads; today there are only two miles remaining. This is due to the splendid work of the Commissioners, who have paid 50% of the cost of the road in many instances in order to free the road of tolls. It was learned that the county contributed toward the purchase of Lancaster Pike, which is now a State road.

The county can only take over roads that have been abandoned or turned over turnpikes.

It has been very difficult during the past six years to secure the approval of the Legislature on additional roads.

A movement is on foot to have the West Chester Pike extended to the Main Line section, and it developed that contracts have been let to improve West Chester Pike from Philadelphia to West Chester.

Much misunderstanding exists throughout the county and criticism is thoughtlessly and undeservedly heaped upon the Commission because of lack of knowledge on the part of the public as to the ownership of certain roads; therefore, the County Commissioners are placing signs at the beginning and end of all county roads in order to advise the public as to its ownership.

A patrol is maintained by the county over all county roads so that they may be repaired at once with a minimum of cost.

Some of the residents of the township feel that because 47% of the county taxes come out of Lower Merion Township more money should be spent here, but after learning what had been spent, and realizing that it was just as necessary to have good roads all over the county to facilitate trucking and pleasure riding for residents of Lower Merion Township, it was felt that the township was not being as greatly neglected as had been supposed. The Commissioners consider themselves very fortunate in obtaining the services of Benj. P. Slaw to take charge of the work along Montgomery Pike. Mr. Slaw was with the State Highway Department for fifteen years.

A plan is on foot, said Mr. Hatfield, for the county to raise two million dollars in order to put through a program which will provide bridges over the

## Editorial

(Continued from Page 2.)

Schuylkill at Norristown, Royersford, and in the neighborhood of Mill Creek, and put all the roads in the finest condition. This money, he thought, could be raised very readily because the county can borrow up to \$3,800,000, and at present it is practically out of debt. It would be a great saving to the county on its road repair expense, and by putting aside \$100,000 a year in 20 years the indebtedness could be met practically out of the county savings.

John Lewis Evans, chairman of the Roads Committee of Lower Merion Township Commissioners, stated that it was planned next year to go over Bryn Mawr avenue from Montgomery avenue to City Line.

The President and the Roads Committee of the Suburban Association of the Main Line were thoroughly convinced, after a lengthy conference with County Commissioners that everything was being done to expedite the repairs of Montgomery Pike, and that the workmanship was of the best character.

"The County Commissioners are to be commended," said Mr. Cuyler, "for the manner in which they are handling the roads in the county, and every effort should be made to help the Commissioners put through their larger program for the benefit of the entire county."

gram for the benefit of the entire county."

The men present were as follows:  
Montgomery County Commissioners—Roy A. Hatfield, President; William Harper, H. W. Smedley, County Controller.

County Engineering Force—J. M. Wilcox, Benj. T. Shaw, engineer in charge of Montgomery Pike; Mr. Cressman, County Engineer.

Lower Merion Township Commissioners—Joseph O. Kerbaugh, President; John Lewis Evans, chairman Highway Committee.

Suburban Association of the Main Line—Thomas DeWitt Cuyler, President; Roads Committee: Samuel Ren, chairman; Richard Haughton, J. Clifton Buck, H. Bartol Brazier.

Harrisburg, Pa., December 7.—A continuous stream of orders for additional Christmas Seals has come to State Seal Headquarters from county tuberculosis committees since the opening of the sale on November 29. Additional orders filed include these:

Montgomery, 250,000; Westmoreland, 250,000; Cambria, 430,000; Southern Jefferson, 10,000; Mifflin, 50,000; Monroe, 30,000; Armstrong, 20,000; Butler, 100,000; Greene, 30,000; Erie, 40,000; Coatesville, 40,000; Tyrone, 70,000; Easton, 80,000; Columbia (town), 10,000; State College, 30,000; and Myersdale, 10,000.

Many committees have also secured more Health Bonds, the big brother of the little Christmas Seal. Among these are Butler, Delaware, Erie, Fayette, Greene, Indiana, Lycoming, Monroe and Philadelphia Counties; State College, Waynesboro, Wilkes-Barre and Hazleton.

Gae township—Loyalhanna—in Westmoreland County, reported over the top on the third day and sent its check to Greensburg for the whole quota. Several Erie towns have reached their quota of ten Seals per capita. The Rotary Club headed the canvass in Sayre and Athens and in one day raised more than \$1,000, mostly through the sale of Health Bonds. These Bonds are now decorating the windows and doors of Athens and Sayre stores. One \$500.00 Bond has been sold in Delaware County and every letter leaving the municipal offices in Chester bears a Christmas Seal. A Health Bond Club has been formed in Punxsutawney. Everett residents have bought over 25 Bonds already. Purchasers of Bonds in Armstrong County have included the L. O. O. F., the K. of C., several banks, manufacturers and business men.

In Schuylkill County organizations that have bought Seals include the Odd Fellows, Moose, P. O. S. of A., United Mine Workers, Independent Americans, Masons, Red Men, Pocahontas, Merchants' Association, Rotary Club, Musicians' Union, Motor Club and State Police.

### INCOME TAX BILLS OUT.

Represent \$38,700,000 Due December 15 For Last Quarter Payment.

Bills for the payment of the last quarter of individual and corporation income and excess profits taxes for 1919, were sent out Saturday by Collector of Internal Revenue Lederer.

The payment of the taxes is due December 15. There are 28,600 bills being mailed to taxpayers, the remainder of 94,000 taxable accounts.

The amount of taxes still due represents \$38,700,000. Collector Lederer said there have been many requests for extension beyond the date set, which were refused.

It was explained by the Collector there is no power under the Government by which extensions can be granted. Many of the requests came from large corporations. Of the bills being mailed 24,000 are to individuals.

### THE NON-UNION ARMISTICE.

"The Armistice has been signed!" shrieked the runner from headquarters as he came bursting into the billet on the edge of the Argonne two years ago. "The war was over at 11 o'clock this morning!"

But the crap king of the regiment registered only disgust.

"Looka here," he retorted with a great show of belligerency. "Maybe it was over at 11, but I'm gonna see that I get a full day's pay out of it just the same."

The above department should be of the greatest use to the community, the list contains the name of every professional man, tradesman, mechanic, shopkeeper, etc., who does or can in any way serve his fellow-townsman, and who is progressive enough to add name to list of Register.

As it is difficult for those contributing their time and efforts to the production of "Our Town" to personally either know or interview all such, it would be most helpful if those not now found in the printed list would send in a memo of their names, address, phone numbers and businesses or professions for listing. This will cost as follows: 10 cents each issue for 2 lines; 5 cents for each additional line.

## Parks and Playgrounds

**COMMITTEE OF MAIN LINE CITIZENS' ASSOCIATION WANT MORE GROUND PURCHASED AT BRYN MAWR—NEED SUPPLIES.**

The Committee on Parks and Playgrounds was started independently of other organizations by a group of interested men and women under the leadership of Mrs. James D. Winsor. At a time when the idea was quite new in rural or suburban districts they met together to work for a public playground. In order not to increase the number of organizations along the line, they decided to work as a committee of the Main Line Citizens' Association.

With no funds and no official encouragement, they obtained the use of a lot in Ardmore and had the children and teachers themselves raise the money to purchase equipment and pay a director for two years. After this trial period the Township Commissioners, being convinced of the value and importance of the work, purchased the property and established the beautiful playground in Ardmore on a permanent basis. The original apparatus is still in use and the committee continues its interest and co-operation. It hopes soon to put in a wading pool, as part of the money has already been given for this purpose. The grounds are open all day and every day except Sunday and the little park at the entrance makes a beautiful breathing space at all times for young and old.

In Bryn Mawr the work has not progressed so far. The ground has been purchased at the rear of the public school, but the improvements have not yet been made. Apparatus loaned by the Community Centre has been set up, and a director and his assistant are on duty every day except Sunday. Lumber and sand have been given for a sand box.

The Misses Black have kindly loaned the use of part of the woodland near the school, where the children may play in the shade. This property is held for sale, and it is hoped that the Commissioners of Lower Merion Township will buy it as a valuable addition to the playground and provide a park somewhat like the one in Ardmore.

The public park on Lancaster avenue, at Bryn Mawr Station, is also the result of the activities of this committee. It is rented at a nominal fee from the Pennsylvania Railroad Company, and maintained by the Main Line Citizens' Association for the use and enjoyment of the public.

As this district builds up the need of such open spaces will be more and more evident, and it is the desire of this committee to see additional playgrounds and parks established either by individual effort or through official action.

The present chairman of the committee is Mrs. Roseoe T. Anthony, of Wynnewood. She asks that the general public lend its support and encouragement to this work for the little citizens, as well as for those of a larger growth who wish to spend their leisure moments in the open air. There is great need in the Bryn Mawr playground of benches and a long table at which the little children can draw and paint. Also small buckets and shovels are needed for the sand box.

### SUFFRAGE.

"What do you think of the prominent part that women are taking in politics nowadays?" "Well," answered Senator Shellback, "it looks as if the time is coming when the President will be referred to as the First Gentleman of the White House."

## Christmas Bazaar a Success

The Christmas Bazaar held in the Y. M. C. A. Building last Saturday afternoon and evening by the Ladies' Aid Society of the Narberth M. E. Church was well patronized and a success in every way.

The handkerchief presented by Mrs. Woodrow Wilson was sold at auction to Mr. Cook at the very low price of \$3.25.

Articles left from the bazaar are for sale at the following addresses: Fancy articles, Mrs. Wm. Taylor, 31 Montgomery avenue; jam and jelly, Mrs. C. L. Smith, 310 Essex avenue; dolls, Mrs. W. J. Bailey, 228 Essex avenue.

### "D. E. S." BOOSTS NARBERTH PLAYGROUND.

We need more of community consciousness today. We need more of the true spirit of neighborliness. Our wild scramble after material good for our families tends to drive out all else, and we view the welfare of the place in which we live as a very secondary thing. That is, some of us do. Others are farther sighted.

When we limit the activities of our lives, our thoughts even, to the four walls of our own homes and the needs of our individual families, when we cast aside all thoughts of the larger good, we limit our usefulness and our own inner growth of mind and soul. Of course, we don't think we do. Indeed, we don't always think at all about this, it sometimes seems.

It doesn't do, for our own sakes, to forget that there's something infinitely bigger than "me" and "mine," do we mean it in a family sense or individually. There's the "our" and "ours," without which we should still be living in the darkest of dark ages. For if some who have gone before had not taken thought for that which lay beyond their own particular horizons, we should still be without much of what makes life today so comfortable and so enriched.

No effort but has its reward—directly or indirectly. We frankly confess our narrowmindedness and the pettiness of our souls when we refuse to work for the welfare of others. So doing, we make it impossible for life to reward us with its richest gifts and imprison ourselves in the bounds of selfishness. The reward of effort may not always be material success. But what others may do or say is of much less account to us than the enrichment of our own developed generosity.—"D. E. S." in Evening Bulletin, December 8, 1920.

## Chi Pi Dance

Saturday, January 8th, is the date and the Woman's Club, Ardmore, is the place.

The Chi Pi's annual dance has held forth in Narberth for several years, but as quite a number of those interested live in or near Ardmore, it was decided to hold the affair this year at the Woman's Club, which is a most desirable place.

The music is to be the best Jazzzy Jazz that can be had. Waltzes, however, are not to be overlooked.

Tickets for two can be purchased for \$2.00 from any member or at Howard's drug store after December 15th. Save the date.

### Work on New Courts

(Continued from Page 1.)

Grugan, chairman of the "Junior Membership Committee," our President, ladies and gentlemen, Mr. Texas Jack Newell; Mr. Klaw-an-Erlanger Donnelly (see display advertisement of the big show, February 11 and 12); Shoot'em Hard Sharp, Dick Penno, who dashed onto the scene about ten minutes of five and worked like the mischief for about 13 minutes, but promised to do better this Saturday if we would include his name in last week's Roll of Honor; several guests who proved themselves to be friends indeed, including C. W. E. Freeman, O. Sartess, Clinton Shaw, James Donnelly, Jr., and Seaver Rose.

Perry Redifer and Carl Metzger dropped in "to see the boys" and look the job over about 5.15, but that doesn't get them in the foregoing list. However, Carl took the Chief of the Division of Publicity home in his car, so he isn't such a bad fellow after all.

Sam Atherholt was kept away by a business engagement, but he sent Luzzi, one of his men, over to the courts to help on the job, so Sam really "belongs" and is entitled to credit for a very thoughtful act.

## \$500,000 Ardmore Moving Picture Theatre Planned

**LOCAL CAPITAL IS GOING INTO CORPORATION FORMING HERE. FOR HIGH QUALITY.**

A half million dollar moving picture theatre, approximating in high character the big theatres of the city, is the aim of a new corporation, now in process of formation at Ardmore, where the theatre would be established.

Final steps in the financing of the plan, which is receiving the support of local people, are being taken during the present week, it has been learned, and a complete announcement of details may be expected shortly.

According to information so far obtained, however, it is established that the theatre will occupy an excellent site on Lancaster avenue and will contain a large auditorium and a balcony, under which a number of boxes will be suspended.

A beautiful and artistic scheme of decorations, outside as well as inside, should make the theatre one of the most attractive in the Philadelphia district, and the idea of the management is to put into the conduct of the place the most modern ideas of service.

In addition to this the theatre would devote itself to showing only the highest grade moving pictures, enhancing them with excellent music.

The building will be constructed to seat 2,000 persons and will be equipped with every device and convenience to make it thoroughly safe and to add to the comfort of visitors.

## THE FIRESIDE

(Continued from Page 1.)

Preparations for the Christmas rush are being made at the Post Office.

Mr. and Mrs. John B. Brooks, of Narberth avenue, entertained at dinner on Sunday evening. Covers were laid for six guests.

Buy your Christmas Seals in Narberth and help make a good showing for your home town. The proceeds from sale of stamps in Montgomery County are spent in the county.

The annual meeting of the Merion Cricket Club was held last Saturday at the club house at Haverford. Officers and five members of the Board of Governors were elected.

If you have not already subscribed to the Playground Project, the coupon in this issue will afford you the opportunity. This is something the entire community can support.

A variety of information from expert sources is now being secured for the first meeting of the Playground Directors. A "look-before-you-leap policy" is being strictly observed.

Rev. Francis P. Siegfried, of St. Charles' Seminary, Overbrook, will lecture tomorrow, Sunday evening, on Sovietism, in St. Colman's Hall, Ardmore, at 8.30 o'clock.

The Borough ought to buy the Sedan advertised in this issue for our Fire Chief, as how can he reasonably be expected to have a clear head on the scene of the fire after an upsetting ride in a flivver?

The fancy articles, dolls, jams and jelly left from the M. E. Church bazaar are for sale at the following addresses: Fancy articles, Mrs. Wm. Taylor, 31 Montgomery avenue; jam and jelly, Mrs. C. L. Smith, 310 Essex avenue; dolls, Mrs. W. J. Bailey, 228 Essex avenue.

A gift of a War Stamp will frequent.

Betty's Sweets, at 219 Haverford Avenue, succeeding the Ivy Candy Shop, is offering to the people of Narberth the highest quality of ice cream, French pastries and candies at prices prevailing before the recent advances. The store has been very tastefully decorated and is a credit to our borough, as the proprietor has spared no expense in bringing to Narberth an up-to-date store of this nature, selling at prices which should be an attractive feature considering the quality of goods offered.

The congregation of the Methodist Church was favored with a rare treat on Sunday evening, December 5. They always have good music, but of special mention was the duet sung by Messrs. Stanley and Muhl. We feel sure that those who heard it will never forget it. Mr. Muhl has a remarkable voice, and Narberthites already know Mr. Stanley's ability. We are glad to announce that they will sing together at the Methodist Church in the near future.
